

## OUR HOME-BREWED, NATURALLY CLOUDY BEER DELICACIES

Established in 1987; the Calwer-Eck Brauhaus has been brewing its uniquely refreshing, unchanged recipe of bottom-fermented, cellar fresh, unfiltered beer.

Although subject to the same German Purity Law of 1516, the Calwer-Eck beer is different than most beers found in Stuttgart. Neither stabilized nor pasteurized, Calwer-Eck's beer comes fresh from production to your table

Thus making the Calwer-Eck-Bräu a complete and unfiltered beer containing the finest yeast, protein, enzymes, vitamins and natural flavors.
